

Worksheet 7.1

Can you match each word to its definition?

If you've not got these definitions in your glossary, take this opportunity to add them.

Decomposition	Step by step instructions to solve the problem
Abstraction	Look for patterns within and in other problems
Pattern Recognition	Break the problem down into smaller parts to solve
Algorithm	Remove the parts that are not required to solve the problem

Extension

Can you think of a problem you have needed to find a solution for and how you have used these skills?
