Jam Planner

Fill out this worksheet to get started on planning your classroom Game Jam!

Jam Type What will students be doing in this jam? Is this just to come up with ideas or pitches, a full digital game, a board game etc? Define your jam here!	
Date, Time and Length When will this jam take place and for how long?	
Where is this jam? Will students be working on their projects solely in the classroom, or can they work at home too?	
Theme What is the theme that projects should adhere to?	

Jam Planner

Number of Students How many students do you expect to take part? This will help inform number of teams and their structure	
Team Structure How many students are in each team and are there specific roles to be filled?	
Restrictions What extra parameters do the students need to fulfil when making their projects?	
Judging Is there a competition element to this jam? How will students' projects be judged or marked?
